The Vacation Land

Summer in the White Mountains

Of New Hampshire

For those who live down in the big cities there is nothing so beneficial as a vacation in the mountains. Almost overnight that wonderful

LIFE-GIVING AIR

restores tired brains and exhausted energies. For a day, perhaps, you will be content simply to rest and drink in that air.

But afterwards the joyous out-of-doors will claim you. You will play golf on links right up under the clouds, you will motor on fine roads, climb mountain peaks for unimaginable views, play tennis, ride, drive, tramp.

You will have an appetite that's a joy—and White Mountain cooking is famous.

You will enjoy the people you meet—they are the Nation's best. And you and your family will go home with a store of vitality and health that will last you for years.

TRUSTED MEN HELD FOR ROBBING FOX

Two Accused, Old Employees of "Police Gazette," Deny Charge.

PUBLISHER'S CASH GONE

Says He Traced \$60,000 to \$75,000 Shortage to His Manager and Agent.

George A. Oxx, business manager, and Adolph Chudoba, financial agent, both employed by Richard K. Fox, publisher of the *Police Gazette*, were in General Sessions Court yesterday and pleaded not guilty to indictments charging them with larceny.

Mr. Fox accuses the prisoners of stealing from \$60,000 to \$75,000 from him by juggling accounts.

Attention was first directed to Oxx because he rode about in automobiles and seemed to be spending a good deal of money while his salary, despite his twenty-three years service as business manager, was only \$10,000 a year.

Mr. Fox charged with having ordered \$56 worth of coal for himself and charging it to Fox, Chudoba had three indictments found against him for theft by false entry.

It was explained to Judge Foster in General Sessions Court yesterday that Fox had two bank accounts, a general account to which were credited all checks taken in through the publishing business and a special account to which the cash and checks that came in from Fox's real estate holdings were deposited. As much as \$5,000 a month was often deposited in this account.

Chudoba had charge of the special account and handled the rent money that came in, mostly cash. According to the charges made yesterday Oxx and Chudoba arranged to take cash from the special account and make good the deficiency through checks that should have been deposited in the general account. In this way the special account would balance up with the rent collectors' books, and Oxx appeared to have been solely in charge of the other account.

In court Assistant District Attorney Koenig asked that the bail be set at \$50,000, but Judge Foster put Oxx's bail at \$25,000 and Chudoba's at \$75,000. Oxx got bail.

MAYOR TO TAKE HIS PICK.

Park Board Unable to Agree on Landscape Architect.

The Park Board decided yesterday to let Mayor Gaynor choose a landscape architect for the department from four candidates to fill the vacancy caused by the resignation of Charles D. Lax. The salary is \$10,000 a year. The board has been unable to agree. The candidates are Joseph Gatzert, Carl P. Platt, William A. Zartman and A. G. Waldron.

Flying Boats Cause Dispute Between Aero and Naval Clubs.

Owners of flying boats scheduled to take part in the national race to be started from Chicago over the lakes on July 8 are confronted with a new problem.

Lyman Seely, representative of the Curtiss company, says there is a dispute as to whether it is a boat or an aeroplane and whether the races are to be conducted according to rules of the Aero Club of America or the American Power Boat Association.

Since the flying boat performs all of the functions of a water craft the harbor officials contend it is subject to their regulations and should be equipped with signal horns, lights, life preservers and all apparatus used on boats.

On the other hand the Aero Club of America says since it flies like an aeroplane it must conform with its rules or be "outlawed."

ADMIT WEST SIDE BURGLARIES.

Loaf Found in a Flat Occupied by Two Men and a Girl.

Detectives Boyle, Quinn and Donnelly, with acting Captain Kerr, who have been running down complaints of recent burglaries of the upper West Side, forced their way into a flat at 63 West 105th street yesterday and arrested James Bentz, 19, a buck and wing dancer, Frank Brandebine, 26, a grocery clerk, and May Walsh, 18, who confessed she had worked with the two men for a year.

In the apartment were thirty pawn tickets, a grip containing jewelry, two revolvers and skeleton keys. The three at first declared they were innocent. Later when Miss Annie R. Witte of 352 West 115th street identified a gold watch as one stolen from her apartment on June 2, Bentz wept and confessed thirty burglaries in four months, but declared that May Walsh had never worked with him. Brandebine, although intimidated by Bentz, protested innocence.

Magistrate Appleton in the West Side court held them all in \$25,000 on the burglary charge and Bentz without bail on the Sullivan law charge.

Bentz says he met May at a dance and she consented to accompany him on the stage in a dancing act. Later they

Spent Your Holiday on a Western Ranch

Out in the ranch country of the West, around Sheridan, Wyoming, or in the Big Horn Basin of Wyoming, where Buffalo Bill founded the town of Cody, the practice is growing for the good, big hearted ranch people to provide for summer boarders and I don't know any more interesting and pleasurable way of spending one's vacation with the wife and children, than to go out on one of those ranches, and ride and fish for trout, (great fishing out there) and eat good, plain, substantial food, and sleep—my! how one does sleep after days spent exercising in that wonderful mountain air. This "Ranch Vacation" is a novel idea, but very easy to accomplish, for I can tell you all about what you can do and how to do it and what it will cost, and what you can get and all about it. Just write and let me suggest a plan for you to follow.

went to the City Hall, he said, to get a license to marry and were told they were too young. Then they went to Chicago and St. Louis to dance in cabaret shows and were finally ousted from the police four months ago in the vice crusade.

May Walsh has her name on the police record for a one year commitment in the House of the Good Shepherd.

HUYLER ESTATE WINS SUIT.

Court Dismisses Action for Cash Owed by Deceased's Nephew.

Supreme Court Justice Ames dismissed yesterday a suit against the estate of John S. Huyler in which the Wyckoff-Hallenbeck-Crawford Company sought to collect \$26,755 for printing *Pure's Magazine*, a fashion journal that failed three years ago. Mr. Huyler had backed the enterprise through his interest in his favorite nephew, Thomas J. Gaines, Jr., who had established it.

The concern lost more than \$325,000, of which \$250,000 was put in by Mr. Huyler. The printing company sought to hold the Huyler estate because the credit was extended on account of knowledge that Mr. Huyler was backing the company.
